

Eco-Awards Program Presents Five Winners and Two New Partners

On January 29, 2010, at 4 p.m. at the Hotel Radisson Blu Iveria, BP, on behalf of its oil and gas co-venturers will host a ceremony to award the five winners of the second round of the Eco-Awards Program. At the awards ceremony, the winners of the 2009 Eco-Awards Program will present to the public the activities implemented as part of last year's competition and their achievements. The three-year Eco-Awards program, which is administered by Eurasia Partnership Foundation (EPF), was joined this year by HSBC Bank, which contributed another \$15,000 to fund projects focused on the sustainable use of natural resources in Georgia. As part of a commitment to environmental initiatives, the management of Radisson Blu Iveria Hotel has provided the venue for the awards ceremony free of charge.

Representatives of non-governmental and international organizations, government ministries and structures, and businesses will attend the ceremony.
